FOUNDATIONAL DOCUMENT

Please, Lord, look after me and my family. Please help me to do the right thing and to show people that I am not a bad person inside or out and help me Lord to get through this disappointment again and know I make mistakes but who doesn't. I don't do it to do wrong. I do it cuz I feel I have no other choice. I want a better life Lord, I do. Please help me. Do to me as what you feel is best. I surrender to you. In Jesus' name, Amen.

A Better Life-Brianna's Hope A Recovery Movement

****We understand that going to a meeting isn't always possible for some people, whether you need transportation, a babysitter, or you've got to work. ABLBH has a helpful resource until you return to in person meetings or would be a great addition to your recovery resources.**

A Place where we share in *all things recovery!* This is an interview format where guests include medical & health care professionals, those that have struggled with addiction, family members of strugglers, EMTs & Fire Fighters, community leaders, members of multiple recovery groups & others. Tune in and be sure to subscribe! You can find us on your favorite podcast platform! We are also on WPGW 100.9 FM at 7:45am on Sundays!
***Please contact us with questions, comments, or even possible guest suggestions by emailing podcast@ablhb.org.**

It's important that we share our experiences with other people. Your story will heal you and your story will heal somebody else. When you tell your story, you free yourself and give other people permission to acknowledge their own story.
