

30 Inch Gauge

漏 Emma

Published: September 2011

How were the shrooms? The Beer? The LSD?
I'll show you something more worthwhile than weed.
I can show you how to steal and lie.
Trust me, it's all you need to get by.
Why go to school? Don't turn another page!
I'm so much easier, and I come in a 30 inch gauge.
Heroin's my name, I've been known to destroy lives.
Takings out actors, teenagers, fathers, and wives.
People will leave you, that's just fine.
Follow me, you'll be all mine.
Try to get rid of me? What a joke.
Pretty soon you'll have a needle, looking for a vein to poke.
Need some love? That's gonna be hard to find.
But don't worry, cause I'll always be in the back of your mind...
